Refunds generated entirely from dropped courses will not be issued during the first twenty days of course. Students who completely withdraw from a term lose access to all campus student services as of the date of withdrawal. Academic action taken after the last day of a term will not result in a refund.

Federal regulations may require students attending the university who receive federal forms of financial assistance under Title IV, and completely withdraw from the university, to be subject to a "return of Title IV aid" calculation which is different from the above refund percentages. Contact the Office of Student Financial Assistance for details.

Military

Students who must report for active U.S. military duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official military documentation. Students who volunteer for military service will be subject to the University's non-military refund policy. Room and board charges will be prorated to the extent that services have been provided.

Division of Continuing Education

Some professional degree programs may have special refund policies that will be published in the program announcement.	
Non-Credit Programs	Refund policies will be stated in the published announcement. A full refund will be made if the program is cancelled.

Fiscal Year 2013
COMPREHENSIVE FEE SCHEDULE

Financial Operations

Installment Payment Administration Fee	per person	\$ 30.00
Return Check Fee	per check	\$ 30.00

Auditing Course Fees

Tuition and fees per semester hour for courses and workshops audited are the same as for courses taken for credit.

Contracts and Compensatory Charges

This schedule does not limit the charges that may be collected under the arrangements with other governmental or private agencies, except that such arrangements may not provide for lesser charges. Tuition or other charges to more nearly cover actual costs of instruction are specifically authorized.

No tuition is charged to students enrolled in instructional programs for which the entire cost, including faculty, is financed by governmental or private agencies. Students enrolled in such programs on campus must pay all required student fees.

Department Cost-Recovery Fees

All departmental charges for specific goods and services (i.e., photocopy, optional instructional materials, placement office user fees, building use fees, summer orientation sessions, academic transcripts, registration fees, etc.) not explicitly identified herein will be priced at an amount that approximates actual costs.

All Semester Fees, Including Laboratory Fees, are Due and Payable in Full at Registration

The Director of Financial Operations and Business Technology is responsible for the assessment and collection of fees.

Late Fees

All accounts with a balance greater than \$150.00 from tuition, enrollment related fees, or housing charges assessed in the current term will incur a \$100.00 late fee on the first business day after the published payment due date. The payment due date for tuition and enrollment related fees will coincide with the Financial Aid Office consensus date, the Registrar's Office late enrollment date, and the Financial Operations Office 100% refund date. The payment due date for housing charges is stated in the housing contract.

All delinquent accounts with a balance due greater than \$150.00 from tuition, enrollment related fees, or housing charges will incur a late payment fee of \$100.00 ninety calendar days into the current term.

Board of Appeals Residency Status

The Associate Registrar, a representative of the Vice President for Campus Life and University Relations, a representative of the Director of Financial Operations, a representative of the General Counsel's Office, and an Associate Dean constitute the Board of Appeals for students who believe their residency status has been incorrectly assessed. The decision of this committee is final. Forms to initiate this process may be obtained in the Registrar's Office.

Unpaid Fees

Students who leave Wichita State University without meeting financial obligations to the University will have their records impounded by the Registrar. Their transcripts or diplomas will not be issued unless their account is cleared, and they may not enroll for a new term unless all fees are paid.

Students who are eligible to graduate but who still have unpaid tuition balances will not graduate until those fees are paid.

WICHITA STATE UNIVERSITY
Fiscal Year 2013
COMPREHENSIVE FEE SCHEDULE

Drop/Add Fee Policy

Students who drop credits and do not add credits will be charged the proportional percentage based on the week they drop the credits. The percentages are published in the *Schedule of Courses*.

Students who drop and add credits will not be required to pay additional tuition/fees if the following conditions are met:

- a. The drop and add occurs in one transaction.
- b. There are an equal number of credit hours added as are being dropped and the credit hours have an equivalent charge.
- c. A course that has been added in accordance with parts a and b, and is subsequently dropped, will retain the same refund percentage as the original course dropped. Students who drop the added course that met the above conditions will have an adjustment made to their account. (Example: A student drops course A and adds course B. Course A would have had a 0% refund; however, because conditions have been met, student receives a 100% refund for course A. Student then decides to drop course B. An adjustment is made to the account reversing the 100% refund received for course A.)

Refund Policy – Complete and Partial Withdrawals

To withdraw completely from the University, students must process drop forms for all classes in which they are enrolled and surrender their Certificate of Registration.

Students are eligible for refunds as shown below:

Regular Semester (16 week classes):		Two week classes:	
End of 5 th business day	100%	End of the 1 st class day	100%
End of 10 th business day	80%	End of the 2 nd day	60%
End of 15 th business day	60%	End of the 3 rd day	40%
End of 25 th business day	40%		
		One week classes:	
Eight week classes:		End of the 1 st class day	100%
End of the 3 rd business day	100%	End of the 2 nd day	40%
End of the 5 th business day	80%		
End of the 8 th business day	60%	Less than one week classes:	
End of the 13 th business day	40%	End of the 1 st class day	100%
Four week classes:			
End of the 1 st class day	100%		
End of the 3 rd class day	80%		
End of the 4 th class day	60%		
End of the 6 th class day	40%		

Guiding Principles:

- In short-term classes, students will have the first class period to determine if the class is suited for them. Students who register late or fail to attend the first class period in short term classes will not be eligible for 100% refunds according to the policy.
- The “first class day” refers to the first day of the part of term as defined by the department and Registrar’s Office; thereafter, the “day” refers to the business day. The length of the “part-of-term” determines the refund, not the start and end date of the course. When a course’s part-of-term length falls between two of the above categories, then the shorter one is used. (Example: If course A part-of-term begins Monday and the actual course meets on Thursday, the refund business day begins with Monday, not Thursday. For an exception to this policy, student must complete “Petition for Exception to Tuition Refund Policy for Dropping.”)
- If a short term class begins on Friday night, Saturday or Sunday, the student will have until the end of the first business day to drop the course. In order to receive a 100% refund for the class, the student must provide documentation that he/she did not attend more than four hours of the class.

Fiscal Year 2013
COMPREHENSIVE FEE SCHEDULE

Guiding Principles (cont.)

- No one other than the Financial Operations and Business Technology Office or the Tuition Refund Board of Appeals is authorized to determine the amount of tuition refund a student will receive.

Exceptions to the Refund Policy:

- Students who, because of extenuating circumstances, seek a higher refund than is available by policy, must petition the Tuition Refund Board of Appeals. Petition forms are available at the Financial Operations and Business Technology Office. The Petition must be filed with the appropriate documentation. A Petition for Tuition Refund beyond the policy must be filed at the Financial Operations and Business Technology Office within the semester the course was taken.
- Students who may have received approval from the University Exceptions Committee for a late withdrawal from a previous semester are not eligible by policy for a tuition refund. These are separate issues and decisions.

Federal regulations may require students attending the University for the first time and receiving student financial aid (grants, loans, or work assistance) under Title IV or whose parent(s) receive(s) a loan under Title IV on behalf of the students who withdraw fully from the University will be subject to a different refund policy. Contact the Financial Operations and Business Technology Office for details.

Military Refund Policy

Students serving in the National Guard or Reserves who are called to active duty during an academic term are entitled to receive a full refund of tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who volunteer for military service will be subject to the University's nonmilitary refund policy. Room and board charges will be prorated to the extent that services have been provided.

Senior Citizen Fee Waiver

In accordance with the Kansas Board of Regents policy, students who are at least 60 years of age may audit (no-credit) regular lecture or certain group activity courses where there is space available and for which they have the prerequisites, without paying tuition, student fees and registration fee. They must, however, pay the facilities use fees, workshop fees, or lab/special course fees.

Prerequisites include admission to graduate school for graduate courses, and program admission for courses in which program admission is required of all students.

TUITION POLICY FOR POST-BACCALAUREATE STUDENTS

Degree Program students and Certificate Seeking students

Post-baccalaureate students seeking graduate degrees pay graduate tuition rates. All tuition and fee charges listed on Page 1 will apply to this group of students.

Enrichment Program students (Licensure or Non-Degree Seeking)

Post-baccalaureate students who are not in a degree seeking program may apply through the Graduate application process for consideration of undergraduate tuition for courses numbered 100 – 499. Courses numbered 500 and above will be charged at the graduate rates. All courses are charged by the credit hour regardless of the number of enrolled hours.

TUITION POLICY FOR UNDERGRADUATE STUDENTS RECEIVING GRADUATE CREDIT

An undergraduate student may apply a maximum of 12 hours of credit earned in courses numbered 500-699 to a degree program. Approval of the graduate dean prior to enrollment is required to receive graduate credit for those courses. The graduate faculty of each department determines whether graduate courses previously taken are appropriate for a given graduate degree program. Undergraduate students receiving graduate credit for graduate level courses will pay graduate fees.

GRADUATE TEACHING ASSISTANTS AND GRADUATE RESEARCH ASSISTANTS

Applicable tuition is waived for graduate teaching and graduate research assistants if working 20 hours per week. Students will be responsible for campus privilege fees, area fees and technology fees. FEE WAIVER FOR PERSONS AGE 60 OR OVER

The person will be considered an auditor in the class, and admission to the class will be by permission of the instructor and only if space is available. Interested individuals should consult with the Registrar or the Director of Admissions.

EXTENDED PAYMENT AGREEMENT

The University makes available an Extended Payment Agreement for account balances. Under this plan, students make a \$150 account payment by the 5th day of class. This down payment, which can include financial aid, will retain the student's class schedule. If a student can not pay the account balance in full by the 5th day of class, a \$50 administrative fee will be applied to the account for an automatic payment extension to the 20th day of class. If charges are not paid on or before the first extension, an additional \$50 administrative fee will be automatically applied for a payment extension to the 35th day of class.

Any account balance remaining after the second payment extension is considered past due. A late fee of \$50 will be assessed each month the balance remains outstanding. An Extended Payment Agreement can be completed in person or obtained on-line at <http://www.emporia.edu/busaff>. The form must be completed and returned along with payment to the Office of Cashiering Services prior to the 5th day of class.

In the summer, the University requires that students pay all charges in full by the first day of class. An Extended Payment Agreement is available; additional fees apply. For up-to-date payment policies for summer 2013, please refer to the Business Affairs website, <http://www.emporia.edu/busaff>.

WITHHOLDING OF STUDENT INFORMATION

When necessary, the University may withhold a student's official transcript for the nonpayment of tuition and fees, loans, other charges, and for failure to return University property.

COLLECTION POLICY

A student's official transcript may be held and/or permission to re-enroll denied for failure to pay any indebtedness or return any property to the University. Students may be required to pay collection agency and attorney fees and all other charges necessary for the collection, as allowed by law, of any amount not paid when due as allowed by law.

CONTRACTS AND COMPENSATORY CHARGES

This schedule does not limit the charges which may be collected under arrangements with other governmental or private agencies except that such arrangements may not provide for lesser charges. Tuition or other charges to more nearly cover the actual cost of instruction are specifically authorized. No tuition is charged to students enrolled in programs for which the entire cost is financed by governmental or private agencies. Students taking such courses on campus must pay all required campus privilege fees.

DEPARTMENTAL COST-RECOVERY FEES

All departmental charges for specific goods and services (i.e., may include but will not be limited to mediated instructional costs, building use, special equipment) not explicitly identified herein will be priced at an amount that approximates actual cost. Appropriate campus administrative procedures are to be followed for approval and collection of these charges.

TESTING COST-RECOVERY FEE

Testing fees will be assessed at a rate that includes the direct cost recovery of the test plus an administration fee of up to \$25.00 per test. Appropriate campus administrative procedures are to be followed for approval and collection of these fees.

SPONSORSHIP OF STUDENT TEACHING FEE

Student teaching fee of \$125.00 will be charged each semester for those students enrolled in Professional Development School (PDS) studies.

MILITARY REFUND POLICY

Students serving in the National Guard or Reserves who are called to active duty during an academic term are entitled to receive a full refund for tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who volunteer for military service will be subject to the University's non-military refund policy. Room and board charges will be prorated to the extent that services have been provided.

NON- MILITARY REFUND POLICY

Refunds for students are based on the following:

RESIDENCE HALL EXTENDED PAYMENT AGREEMENT

The University makes available an Extended Payment Agreement for account balances. Room and board charges are listed on the student account and fall under this extended payment plan. Under this plan, students make a \$150 account payment by the 5th day of class. This down payment, which can include financial aid, will retain the student’s class schedule. If a student cannot pay the account balance in full by the 5th day of class, a \$50 administrative fee will be applied to the account for an automatic payment extension to the 20th day of class. If charges are not paid on or before the first extension, an additional \$50 administrative fee will be automatically applied to the account for a payment extension to the 35th day of class.

Any account balance remaining after the second payment extension is considered past due. A late fee of \$50 will be assessed each month the balance remains outstanding. An Extended Payment Agreement can be completed in person or obtained on-line at <http://www.emporia.edu/busaff>. The form must be completed and returned along with payment to the Office of Cashiering Services prior to the 5th day of class.

In the summer, the University requires that students pay all charges in full by the first day of class. An Extended Payment Agreement is available; additional fees apply. For up-to-date payment policies for summer 2013, please refer to the Business Affairs website, <http://www.emporia.edu/busaff>.

A \$50.00 late fee is added for room and board payments, apartment payments, and damage charges not made when due.

Special Fees (Non-Refundable)

Contracts and Tuition Charge

This schedule does not limit the charges which may be collected under arrangements with other governmental or private agencies, except that such arrangements may not provide for lesser charges. Tuition or other charges to more clearly cover the actual cost of instruction are specifically authorized.

No tuition is charged to students, including faculty, enrolled in instructional programs for which the entire cost is financed by governmental or private agencies. Students enrolled in such programs on campus must pay all required campus privilege fees.

REFUND POLICIES

General Refund Policy

The refund policy shall apply to fall and spring semesters. Classes meeting for periods shorter than a semester will have refunds prorated accordingly. Refund dates shall be based on (class) days including registration, examinations and commencement. Special fees as listed in the fee schedule and fees for private lessons are non-refundable.

1. A student who withdraws during the first week of the semester will be refunded, upon application, all their fees, except those fees listed in the fee schedule as non-refundable.
2. A student who withdraws after the first week but during the first one-third of a semester will be refunded upon application, one-half of their fees, except those fees listed in the fee schedule as non-refundable.
3. A student who withdraws after the first one-third of a semester is not entitled to any refund.
4. Students must withdraw through the Registrar's Office. Withdrawals must be processed by several offices before refunds can be processed by the University Cashier's Office; therefore, students should expect a delay of three weeks.
5. An appeals process is available to the student who feels their situation warrants an exception from the stated fee refund policy. Students should direct written appeals to the University Registrar. The Petition for Refund form can be found on the Registrar's web page at <http://www.pittstate.edu/office/registrar/forms.dot>.
6. No refund will be given for short courses (1-2 days) or travel courses once the program has begun.

In the event that PSU is responsible for a fee assessment or calculation error, the error will be corrected.

Title IV Recipient Refund Policies

Students need to be cautioned under this policy. Students who totally withdraw after receiving Title IV assistance in many cases will have to repay a portion of the funds received. The Financial Aid Office recalculates federal* financial aid eligibility for students who withdraw, stop attending courses without completing an official withdrawal, or are dismissed prior to completing 60% of a semester. Recalculation is based on the percent of earned aid using the following formula:

Percent earned = Number of days completed up to the withdrawal date** divided by total days in the semester.

Federal financial aid is returned to the federal government based on the percent of unearned aid using the following formula:

Aid to be returned = (100% - percent earned above) times the amount of aid disbursed toward institutional charges. Institutional charges are: tuition, fees, on-campus room and board.

When aid is returned, the student will owe a debit balance to the University and/or the Department of Education Title IV Programs. If a student owes a debit balance to the Department of Education, payment arrangements will have to be made directly with that federal agency.

Military Tuition Refund Policy

Students serving in the National Guard or Reserves who are called to active duty during an academic term are entitled to receive a full refund of tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who volunteer for military service will be subject to the University's non-military refund policy. Room and board charges will be prorated to the extent that services have been provided.

*Federal financial aid includes the Federal Pell Grant, Academic Competitiveness Grant, SEOG Grant, SMART Grant, TEACH Grant, Perkins Loan, Direct Student Loan, and PLUS Loan.

**Withdrawal Date is defined as the actual date the student began the institution's withdrawal process through the Registrar's Office, the student's last date of recorded attendance, or the midpoint of the semester for a student who leaves without notifying the institution.

TUITION WAIVER FOR KANSAS TEACHER OF THE YEAR

Any Kansas Teacher of the Year recipient may enroll for up to nine credit hours annually at any Regents institution without payment of tuition or fees if the individual is actively pursuing a teaching career in Kansas. To be eligible, a person must be (1) a past or present recipient of the Kansas Teacher of the Year award under the program administered by the Kansas Department of Education and (2) employed as a teacher in an educational institution accredited by the Kansas Department of Education.

TUITION FOR KANSAS MILITARY AND PUBLIC SAFETY OFFICER FAMILIES

Every Kansas educational institution shall provide for enrollment without charge of tuition or fees for: (1) Any dependent or spouse of a public safety officer who died as the result of injury sustained while performing duties as a public safety officer so long as such dependent or spouse is eligible; (2) any dependent or spouse of any resident of Kansas who died on or after September 11, 2001, while, and as a result of, serving in military service; and (3) any prisoner of war. YELLOW RIBBON PROGRAM FOR NON-RESIDENT VETERANS

The Post-9/11 GI Bill pays resident tuition and fees. Eligible students for the Yellow Ribbon Program would also receive additional assistance from the Veterans Administration (VA) and Pittsburg State University which would pay the difference in tuition to cover out-of-state tuition rates. Institutions voluntarily enter into a Yellow Ribbon Agreement with VA and choose the amount of tuition and fees that will be contributed. VA will match that amount and issue payment directly to the institution. Only individuals entitled to the maximum benefit rate (based on service requirements) may receive this funding. Therefore, to be eligible:

- * Veteran must have served an aggregate period of active duty after September 10, 2001, of at least 36 months;
- * Veteran must be honorably discharged from active duty for a service connected disability and served 30 continuous days after September 10, 2001;
- * Student is a dependent of a veteran eligible for Transfer of Entitlement under the Post-9/11 GI Bill based on a veteran's service under the eligibility criteria listed above.

PITTSBURG STATE UNIVERSITY EMPLOYEE DEPENDENT TUITION WAIVER PROGRAM

An eligible employee is an employee appointed to a benefits-eligible position at PSU with 12 continuous months, or one academic year for faculty, of service to PSU in a benefits-eligible position. For a dependent of an eligible employee to qualify the dependent must meet the eligibility requirements approved by the Kansas Board of Regents at the May 2006 meeting. KANSAS FOSTER CHILD EDUCATIONAL ASSISTANCE ACT

The purpose of this act is to establish an educational assistance program under which payment of tuition and required fees charged to eligible foster children shall be waived (see Senate Bill 85 or inquire at the Registrar's Office to determine eligibility). A tuition and required fee waiver would be provided for the undergraduate enrollment of an eligible foster child, through the semester or until attaining the age of 23, who enrolls in a Kansas educational institution on or after July 1, 2006.

To remain eligible for participation in the program, an eligible foster child shall remain in good standing at the Kansas educational institution where the eligible foster child is enrolled and shall make satisfactory progress toward completion of the requirements of the educational program in which they are enrolled. An eligible foster child shall not have waived the amount of tuition waived for any course repeated or taken in excess of the requirements for completion of the educational program in which they are enrolled. Each eligible foster child who is enrolled in a Kansas educational institution and who is participating in the program shall be responsible for all fees charged by the institution that are not directly related to and required for the courses in the educational program of the eligible foster child (SB 355 removed the expiration date on SB 85).

AUDITING OF COURSES

Each auditor must have a permit to audit provided by University Registrar and authorized by the course instructor. A permit may be issued to regularly enrolled students, as well as students enrolled to audit only. Auditors will be charged a \$1.00 per credit hour fee when the permit is issued. This fee is not refundable. Persons over 60 years of age may audit, on a space available basis at no charge. Students currently enrolled may audit at no charge. All persons who audit courses are admitted as listeners only and are not entitled to participate in class activities except as listeners. No transcript or record is made of audit enrollments.
