WICHITA STATE UNIVERSITY
Fiscal Year 2015
COMPREHENSIVE FEE SCHEDULE

Financial Operations

The Director of Financial Operations and Business Technology is responsible for the assessment and collection of fees. All semester fees, including laboratory fees, are due and payable in full at registration.

Payment-Related Fees

Installment Payment Administration Fee (Room, Meals, Tuition & Fees) - nonrefundable	per person/per plan	\$30.00
Return Check Fee	per check	\$30.00

Auditing Course Fees

Tuition and fees per semester hour for courses and workshops audited are the same as for courses taken for credit.

Contracts and Compensatory Charges

This schedule does not limit the charges that may be collected under the arrangements with other governmental or private agencies, except that such arrangements may not provide for lesser charges. Tuition or other charges to more nearly cover actual costs of instruction are specifically authorized.

No tuition is charged to students enrolled in instructional programs for which the entire cost, including faculty, is financed by governmental or private agencies. Students enrolled in such programs on campus must pay all required student fees.

Department Cost-Recovery Fees

All departmental charges for specific goods and services (i.e., photocopy, optional instructional materials, placement office user fees, building use fees, summer orientation sessions, academic transcripts, registration fees, etc.) not explicitly identified herein will be priced at an amount that approximates actual costs.

Late Fees

All accounts with a balance greater than \$150.00 from tuition, enrollment related fees, or housing charges assessed in the current term will incur a \$100.00 late fee on the first business day after the published payment due date. The payment due date for tuition and enrollment related fees will coincide with the Financial Aid Office's consensus date, the Registrar's Office late enrollment date, and the Financial Operations' Office 100 percent refund date. The payment due date for housing charges is stated in the housing contract.

All delinquent accounts with a balance due greater than \$150.00 from tuition, enrollment related fees, or housing charges will incur a late payment fee of \$100.00 ninety calendar days into the current term.

Board of Appeals Residency Status

A representative of the Office for Student Success, a representative of the Vice President for Campus Life and University Relations, a representative of the Director of Financial Operations, a representative of the General Counsel's Office, and a member of the faculty constitute the Board of Appeals for students who believe their residency status has been incorrectly assessed. The decision of this committee is final. Forms to initiate this process may be obtained in the Registrar's Office.

Unpaid Fees

Students who leave Wichita State University without meeting financial obligations to the University will have their records impounded by the Registrar. Their transcripts or diplomas will not be issued unless their account is cleared, and they may not enroll for a new term unless all fees are paid.

Students who are eligible to graduate but still have unpaid tuition balances will not receive their diploma until those fees are paid.

Drop/Add Fee Policy

Students who drop credits and do not add credits will be charged the proportional percentage based on the week they drop the credits.

WICHITA STATE UNIVERSITY
Fiscal Year 2015
COMPREHENSIVE FEE SCHEDULE

Financial Operations (cont.)

Students who drop and add credits will not be required to pay additional tuition/fees if the following conditions are met:

1. The drop and add occurs in one transaction; and
 2. There are an equal number of credit hours added as are being dropped and the credit hours have an equivalent charge.
- A course that has been added in accordance with parts 1 and 2, and is subsequently dropped, will retain the same refund percentage as the original course dropped. Students who drop the added course that met the above conditions will have an adjustment made to their account. (Example: A student drops course A and adds course B. Course A would have had a 0 percent refund; however, because conditions have been met, student receives a 100 percent refund for course A. Student then decides to drop course B. An adjustment is made to the account reversing the 100 percent refund received for course A.)

Guiding Principals

- In short-term classes, students will have the first class period to determine if the class is suited for them. Students who register late or fail to attend the first class period in short term classes will not be eligible for 100 percent refunds according to the policy.
- The *first class day* refers to the first day of the part of term as defined by the department and Registrar's Office; thereafter, the *day* refers to the business day. The length of the *part-of-term* determines the refund, not the start and end date of the course. When a course's part-of-term length falls between two of the above categories, then the shorter one is used. (Example: If course A part-of-term begins Monday and the actual course meets on Thursday, the refund business day begins with Monday, not Thursday. For an exception to this policy, student must complete the Petition for Exception to Tuition Refund Policy for Dropping Courses form.)
- If a short term class begins on Friday night, Saturday or Sunday, the student will have until the end of the first business day to drop the course. In order to receive a 100 percent refund for the class, the student must provide documentation that he/she did not attend more than four hours of the class.
- No one other than the Financial Operations and Business Technology Office or the Tuition Refund Board of Appeals is authorized to determine the amount of tuition refund a student will receive.

Exceptions to the Refund Policy:

- Students who, because of extenuating circumstances, seek a higher refund than is available by policy, must petition the Tuition Refund Board of Appeals. Petition forms are available at the Financial Operations and Business Technology Office. The petition must be filed with the appropriate documentation. A Petition for Tuition Refund beyond the policy must be filed at the Financial Operations and Business Technology Office within the semester the course was taken.
- Students who may have received approval from the University Exceptions Committee for a late withdrawal from a previous semester are not eligible by policy for a tuition refund. These are separate issues and decisions.

Federal regulations may require students attending the university for the first time and receiving student financial aid (grants, loans or work assistance) under Title IV or whose parent receives a loan under Title IV on behalf of the students who withdraw fully from the university to be subject to a different refund policy. Contact the Financial Operations and Technology Office for details.

Military Refund Policy

Students serving in the National Guard or Reserves who are called to active duty during an academic term are entitled to receive a full refund of tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who volunteer for military service will be subject to the university's nonmilitary refund policy. Room and board charges will be prorated to the extent that services have been provided.

Tuition Waiver for Kansas Teacher of the Year

Kansas Teacher of the Year recipient is allowed to enroll tuition free in up to 9 credit hours annually provided the individual is actively pursuing a teaching career in Kansas. To be eligible, a person must be 1) a past or present recipient of the Kansas Teacher of the Year Award under the program administered by the Kansas Department of Education, and 2) employed as a teacher in an educational institution accredited by the Kansas Department of Education. Senior Citizen Fee Waiver

In accordance with the Kansas Board of Regents policy, students who are at least 60 years of age may audit (no-credit) regular lecture or certain group activity courses without payment of tuition when there is space available and for which they meet the prerequisites. Senior auditors must, however, pay any applicable campus infrastructure and support fees, workshop fees, and lab/special course fees. Prerequisites include admission to graduate school for graduate courses, and program admission for courses in which program admission is required of all students.

Senior citizens must present a Medicare card or driver's license to validate age. A special senior citizen registration is held after the first day of classes. Senior citizens desiring college credit or the assurance of space in specific courses may enroll and pay full fees during regular registration.

Senior citizens who have not enrolled at WSU before must complete an Application for Admission and pay the application fee before registering at the undergraduate or graduate Admissions Office, \$30.00 for undergraduate or \$50.00 for graduate.

Senior citizens who want to participate in at least one of the Human Performance Studies (HPS) 152 sections have 3 options:

1. Purchase a membership in the Center for Physical Activity and Aging (CPAA), \$50.00 for membership purchased at the HPS department, and \$20.00 for parking per student. Enrollment through the Registrar's Office is not necessary.
2. Those who want more complete access to Heskett Center and Ablah Library privileges may join the CPAA and enroll through the Registrar's Office with audit status in a zero credit hour section. Costs include \$50.00 membership fee, \$21.00 + tax Heskett Center fee paid at the Heskett Center, and \$6.00 per credit hour campus infrastructure and support fees, plus other fees that may apply.
3. Senior citizens can enroll in one class for full credit at a total cost of the current tuition, student fees, and campus infrastructure and support fees.

Members of the CPAA are eligible each semester for functional assessment testing of their ability to perform daily living activities and an annual bone density evaluation. Membership also provides an educational and informative monthly.

Interested individuals should consult with the Registrar or the Director of Admissions.

EXTENDED PAYMENT AGREEMENT

The University makes available an Extended Payment Agreement for account balances. Under this plan, students make a \$150 account payment by the 5th day of class. This down payment, which can include financial aid, will retain the student's class schedule. If a student cannot pay the account balance in full by the 5th day of class, a \$50 administrative fee will be applied to the account for an automatic payment extension to the 20th day of class. If charges are not paid on or before the first extension date, an additional \$50 administrative fee will automatically be applied for a payment extension to the 35th day of class.

Any account balance remaining after the second payment extension date is considered past due. A late fee of \$50 will be assessed each month the balance remains outstanding. An Extended Payment Agreement can be completed in person or obtained on-line at <http://www.emporia.edu/busaff>. The form must be completed and returned along with payment to the Office of Cashiering Services and Student Accounts prior to the 5th day of class.

In the summer, the University requires that students pay all charges in full by the first day of class. An Extended Payment Agreement is available; additional fees apply. For up-to-date payment policies for summer 2015, please refer to the Business Affairs website, <http://www.emporia.edu/busaff>.

RESIDENCE HALL CONTRACT CANCELLATION

Emporia State University requires full-time, first-year students to reside in the residence halls (domestic and international). This first-year residency requirement generally applies to a student with freshman academic status and international students in their first year of studies at Emporia State University. The Residence Hall Contract includes both the housing plan and the food service plan. Based on this residency requirement, some students may not be eligible to cancel their housing and food service plans contract. Students who are eligible to cancel their housing and food service plans contract are assessed contract breakage fees according to the schedule below:

<u>2014-15 Academic Year Contracts Notification Date</u>	<u>Charge</u>
Postmarked on or before August 14, 2014	\$145.00 (non-refundable prepayment)
Cancellation on or after August 15, 2014	40% of remaining balance on contract
<u>Spring Only Contracts Notification Date</u>	<u>Charge</u>
Postmarked on or before January 17, 2015	\$145.00 (non-refundable prepayment)
Cancellation on or after January 18, 2015	40% of remaining balance on contract

NOTE: The Residence Hall Contract includes the housing plan and the food service (contract board) plan.

Contract release without cancellation fees: After the move-in date, the student can be released from the contract, without cancellation fees, only for the following reasons:

- 1) No longer attending the university (graduating, transferring, or withdrawing)
- 2) International student who has completed the length of stay as indicated on the I-20, is 21 years of age or older and does not have a residency requirement with the corresponding exchange program
- 3) Marriage, if marriage occurs after signing the contract and if residing with spouse in the community (marriage license required)
- 4) Participation in an academically sponsored study abroad, co-op, student teaching or internship program out of the Emporia area
- 5) Called for active military service duty
- 6) Significant and unforeseen health reason occurring during the contract period
- 7) Received an approved request for contract release from the Director of Residential Life.

RESIDENCE HALL EXTENDED PAYMENT AGREEMENT

The University makes available an Extended Payment Agreement for account balances. Room and board charges are listed on the student account and fall under this extended payment plan. Under this plan, students make a \$150 account payment by the 5th day of class. This down payment, which can include financial aid, will retain the student's class schedule. If a student cannot pay the account balance in full by the 5th day of class, a \$50 administrative fee will be applied to the account for an automatic payment extension to the 20th day of class. If charges are not paid on or before the first extension, an additional \$50 administrative fee will be automatically applied to the account for a payment extension to the 35th day of class.

Any account balance remaining after the second payment extension is considered past due. A late fee of \$50 will be assessed each month the balance remains outstanding. An Extended Payment Agreement can be completed in person or obtained on-line at <http://www.emporia.edu/busaff>. The form must be completed and returned along with payment to the Office of Cashiering Services and Student Accounts prior to the 5th day of class.

In the summer, the University requires that students pay all charges in full by the first day of class. An Extended Payment Agreement is available; additional fees apply. For up-to-date payment policies for summer 2015, please refer to the Business Affairs website, <http://www.emporia.edu/busaff>.

A \$50.00 late fee is added for room and board payments, apartment payments, and damage charges not made when due.

Instructional Supplies and Equipment Fee

Beginning with the Fall 2005 semester, as part of the tuition assessed each student, \$4 per credit hour is collected for the acquisition, maintenance, repair, and replacement of instructional materials (including instructional supplies and equipment). \$1 per credit hour is matched by the State of Kansas and allocated to Academic Affairs. \$3 per credit hour is allocated to the individual colleges based upon annual credit hour production. In addition to this assessment, the College of Technology assesses \$14 per credit hour for all courses not offered through Continuing Studies with a cap of \$140 per semester (the actual total approved fee of \$14 per credit hour and \$140 per semester was originally assessed for the fall 2000 semester).

Media Instructional (Distance) Fee

Students enrolled in courses offered online or through the Interactive Distance Learning (IDL) network will be assessed \$36 per credit hour of enrollment. This fee supports the development and delivery of these courses.

Library Fee

As part of the tuition assessed each student, \$1 per credit hour is collected for the on-going support of the university library. The fee supports the acquisition of periodicals, books, and related library materials. This includes printed materials and electronic information resources.

Continuing Studies Courses (per credit hour rate)

Non-resident students enrolled as a campus student and taking Continuing Studies Courses will be charged the non-resident tuition rate. Part-time students enrolled in a degree program offered off-campus or on-line will pay the Continuing Studies tuition and fee rates.

REFUND POLICIES

General Refund Policy

The refund policy shall apply to fall and spring semesters. Classes meeting for periods shorter than a semester will have refunds prorated accordingly. Refund dates shall be based on (class) days including registration, examinations and commencement. Special fees as listed in the fee schedule and fees for private lessons are non-refundable.

1. A student who withdraws during the first week of the semester will be refunded, upon application, all their fees, except those fees listed in the fee schedule as non-refundable.
2. A student who withdraws after the first week but during the first one-third of a semester will be refunded upon application, one-half of their fees, except those fees listed in the fee schedule as non-refundable.
3. A student who withdraws after the first one-third of a semester is not entitled to any refund.
4. Students must withdraw through the Registrar's Office. Withdrawals must be processed by several offices before refunds can be processed by the University Cashier's Office; therefore, students should expect a delay of three weeks.
5. An appeals process is available to the student who feels their situation warrants an exception from the stated fee refund policy. Students should direct written appeals to the University Registrar. The Petition for Refund form can be found on the Registrar's web page at <http://www.pittstate.edu/office/registrar/forms.dot>.
6. No refund will be given for short courses (1-2 days) or travel courses once the program has begun.

In the event that PSU is responsible for a fee assessment or calculation error, the error will be corrected.

Title IV Recipient Refund Policies

Students need to be cautioned under this policy. Students who totally withdraw after receiving Title IV assistance in many cases will have to repay a portion of the funds received. The Financial Assistance Office recalculates federal* financial aid eligibility for students who withdraw, stop attending courses without completing an official withdrawal, or are dismissed prior to completing 60% of a semester. Recalculation is based on the percent of earned aid using the following formula:

Percent earned = Number of days completed up to the withdrawal date** divided by total days in the semester.

Federal financial aid is returned to the federal government based on the percent of unearned aid using the following formula:

Aid to be returned = (100% - percent earned above) times the amount of aid disbursed toward institutional charges. Institutional charges are: tuition, fees, on-campus room and board and books charged through the PSU Bookstore, using a bookstore voucher.

When aid is returned, the student will owe a debit balance to the University and/or the Department of Education Title IV Programs. If a student owes a debit balance to the Department of Education, payment arrangements will have to be made directly through the Department of Education, Debt Resolution Services at 1-800-621-3115. If you need additional assistance, please contact the Office of Student Financial Assistance

If a student owes a balance to the university, those funds must be repaid immediately, or payment arrangements made through the Cashiers Office..

Military Tuition Refund Policy

Students serving in the National Guard or Reserves who are called to active duty during an academic term are entitled to receive a full refund of tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who volunteer for military service will be subject to the University's non-military refund policy. Room and board charges will be prorated to the extent that services have been provided.

*Federal financial aid includes the Federal Pell Grant, SEOG Grant, TEACH Grant, Perkins Loan, the Federal Direct loan Programs and Federal Direct PLUS Loan.

**Withdrawal Date is defined as the actual date the student began the institution's withdrawal process through the Registrar's Office, the student's last date of recorded attendance, or the midpoint of the semester for a student who leaves without notifying the institution.

VA will match that amount and issue payment directly to the institution. Only individuals entitled to the maximum benefit rate (based on service requirements) may receive this funding. Therefore, to be eligible:

- * Veteran must have served an aggregate period of active duty after September 10, 2001, of at least 36 months;

FEE RATE EXCEPTIONS

Staff and Faculty: Tuition Assistance is provided for employees, their spouses and dependents based on length of service and approved Board of Regents eligibility criteria.

RETURN OF TITLE IV FUNDS FOR FINANCIAL AID RECIPIENTS

Return of Title IV Funds policy:* Federal financial aid regulations mandate that students who received federal (Title IV) financial aid and who withdraw completely before completing 60% of the term, will be required to return a portion of the federal financial aid funds they received. Total withdrawal includes Official Withdrawal (student drops classes in TigerEnroll) and Unofficial Withdrawal (student stops attending class and receives a grade of "U" in all classes). FHSU calculates the amount of earned financial aid per federal guidelines. The institution will return unearned Title IV funds that had been originally applied to institutional charges to the appropriate federal programs. The student will be responsible for return of unearned Title IV funds that had been originally disbursed directly to him/her. The institutional charges no longer covered by financial aid funds will be reinstated and the student will be responsible for immediate payment of any balance owed.

**Based on the most current federal return of Title IV policy. Changes mandated by the Department of Education will be implemented.*

Military Refund Policy: Students serving in the National Guard Reserves who are called to active duty during an academic term are entitled to receive a full refund of tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who volunteer for military service will be subject to the University's non-military refund policy. Room and board charges will be prorated to the extent that services have been provided.

CONTRACTS AND COMPENSATORY CHARGES

This schedule does not limit the charges that may be collected under arrangements with other governmental or private agencies. Tuition or other charges to more nearly cover the actual cost of instruction are specifically authorized.

REFUNDS-CHANGE OF PROGRAM

Payment of Fees: Fees for a semester or term are payable at the time of enrollment for a semester or term. Students may use a check, money order, University Card, or VISA/MasterCard/Discovery/American Express for the exact amount of fees. Students who add classes after the start of the semester must remit payment when adding the class.

Refunds: (Total Withdrawal from University). To officially withdraw from University coursework and to be eligible for a refund, a student must submit a request for a schedule drop through TigerEnroll within the scheduled dates of the authorized refund period. The University will determine the method of refund. Tuition refunds will be processed within fourteen (14) days of the scheduled drop. Tuition refunds to students who receive federal financial aid will be reviewed by the Financial Assistance and the Student Fiscal Services offices to determine whether repayment to federal programs is required prior to release of the tuition refunds to students.
